Upgrade affordable housing building on Main street

## Build tsunami barrier wall

Along waterline at end of town, construct a barrier

## Add more plugs for electric cars

Incorporate more smart plugs on main street for el

## Develop new traffic light patterns

Create new traffic light patterns to reduce congesti

# Bridge Repair

The bridge near the hospital needs repair. Currently, emergency vehicles need to pass over the bridge but cannot due to the storm damage from last winter. The bridge repair will significantly reduce the time it takes for ambulances to arrive at the hospital. In these situations, every second counts. Vote for this project to help us save more lives!
